Schedule 13, Row1:An affiliate member is a direct member of an affiliated organization.

Schedule 13, Row1:

Schedule 13, Row1:No voting restrictions on affiliate members

General Information: IMPORTANT PUBLIC NOTICE: LIMITED AND RESTRICTED USE OF REPORTED INFORMATION As a labor organization under the LMRDA (29 USC Sec. 402(i)), NNU must: file annually with the Secretary a financial report signed by its president and treasurer or corresponding principal officers containing the following information in such detail as may be necessary accurately to disclose its financial condition and operations for its preceding fiscal year (1) assets and liabilities at the beginning and end of the fiscal year; (2) receipts of any kind and the sources thereof; (3) salary, allowances, and other direct or indirect disbursements (including reimbursed expenses) to each officer and also to each employee who, during such fiscal year, received more than \$ 10, 000 in the aggregate from such labor organization and any other labor organization affiliated with it or with which it is affiliated, or which is affiliated with the same national or international labor organization; (4) direct and indirect loans made to any officer, employee, or member, which aggregated more than \$ 250 during the fiscal year, together with a statement of the purpose, security, if any, and arrangements for repayment; (5) direct and indirect loans to any business enterprise, together with a statement of the purpose, security, if any, and arrangements for repayment; and (6) other disbursements made by it including the purposes thereof; all in such categories as the Secretary may prescribe. (29 USC Sec. 431(b).) The principal officers of the labor organization required to sign Form LM-2 are personally responsible for its filing and accuracy. These officers are subject to civil prosecution and criminal penalties for violations of the LMRDA reporting and disclosure requirements. (See, e.g., 29 USC Sec. 440) In performing the labor organization reporting and disclosure obligations imposed by LMRDA Sec. 431, labor organization officers, representatives, employees and others are also subject to the strict fiduciary obligations imposed by section 501 of the LMRDA, 29 USC Sec. 501. Although NNU is subject to a variety of reporting and disclosure requirements under federal, state and local laws, the LMRDA reporting and disclosure obligations of 29 USC Sec. 431 are the most fundamental, comprehensive, exacting and directly related to the authorized purposes and operations of a "labor organization" under law. The Department of Labor is the federal agency with exclusive authority to promulgate regulations, interpret the LMRDA (inc. Title II) and enforce statutory and regulatory developed and organized its financial data based on DOL LM-2 reporting methods, definitions, and regulatory standards. Since 2003, the FORM LM-2 has required reporting of certain expenditure information on a cash basis according to the following classifications, which the Department of Labor (DOL) has designated as "functional categories": (1) representational activities; (2) political activities; (3) contributions, gifts and grants; (4) general overhead; and (5) union administration. These categories were established independently by the DOL without regard for similar categories of labor organization information disclosure required by other federal, state and local agencies, private organizations, trade associations, and decisional law. The DOL developed these information disclosure categories for its own purposes in administering the LMRDA, and not for any other purpose. The information provided on this FORM LM-2 and the manner of its presentation, including allocations of activity and expense among the "functional categories" required by the LM-2 reporting requirements has been provided in good faith for the purposes of LM-2 reporting and in reliance on DOL instructions and assurances that the current FORM LM-2 disclosures are not intended and not appropriate for use in determining labor organization compliance with other statutes, regulations, or rules of decisional law concerning disclosures of labor organization information to members, nonmembers, or to the general public. Agency promulgations, interpretations and applications, or common law impositions of labor organization methods of financial information organization, management and retention, or reporting and disclosure which conflict with these LM-2 requirements are preempted by 29 USC Sec. 431 and DOL implementing regulations.
